On a recent visit to my sister, we went to her church to see The Knitted Bible. I wasn't quite sure what to expect, but I was very impressed.

There is a church in Hartlepool whose members have knitted characters from around 40 scenes from the Bible, and prepared them to display some of the key points from Old and New Testaments. One picture here shows the scenes arranged the length of my sister's church, with closest to the camera, the Resurrection, then the Crucifixion, the Last Supper, the Triumphal Entry and so on. The detailed photo shows Noah's Ark, with animals two by two.

Noah's Ark!

The Knitted Bible!

The Knitted Bible tours the country, and can be requested and booked at stgeorgesurc.co.uk, but will need a Transit or equivalent to transport, and is currently booked up until 2026. But it is a wonderful depiction of the work of God that we follow today.

Changes to the Plan

The Gathered Service in July is being moved to the last Sunday in June at Pocklington, so we can live stream the Sunday morning worship from Conference. Times will be sent around nearer the time.

The OA service at Melbourne on 19th May will start at 10am.

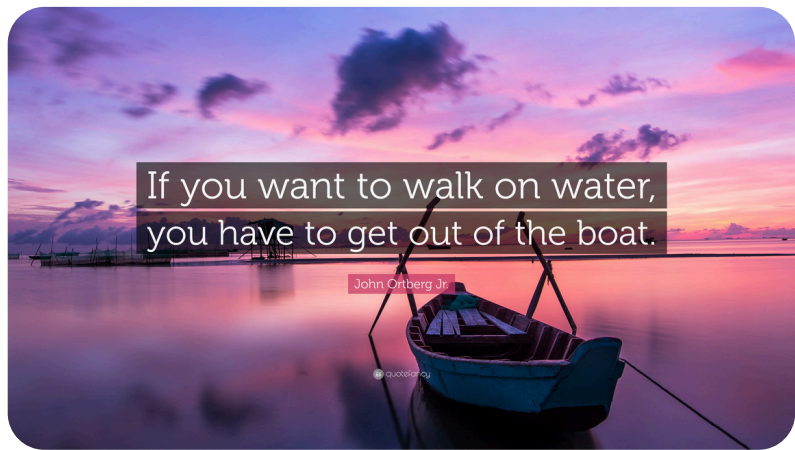

God in Love Unites Us

There will be a discussion about God in Love Unites Us on 25 May 2024 at St John's (Market Weighton), 10am-2pm, with a bring and share lunch.

All are welcome and encouraged to join us, and reading material is available on the website!

At our 'Equipping for Mission' day, I felt God say I needed to do two things. To arrange a time of prayer and a time of study. So here's what I've planned.

On the 2nd Thursday of the month, at 6pm, I will host a light supper. At 7pm we will pray in silence for half an hour. We will then have half an hour to talk about what we feel God has revealed to us in our prayer time over a cuppa, for the evening to end at 8pm. You don't have to come for food, you could just come for the prayer - but if you'd like to eat - could you please let me know, so I know how many to cater for! First one scheduled for 9 May 2024.

The study will be from a resource called 'If you want to walk on water, you've got to get out of the boat', by John Ortberg. This will be held on the 4th Thursday 7pm - 8.30pm. First one scheduled for 23 May 2024.
